

Variation #28

#deepadaption 4/28/2019

*(to be read slowly methodically think plodding
but without the droning of syncopated marching
rather ecstatic sparsity rather than the busyness of
methodical grieving where the beginning
and end are the same color and
one can't differentiate between*

the white white Blossom petals

mix with grey white Wet

swaying concentric geometries

against

BROWN BLACK GREEN bones
and muscle

the Framed) backgroundof Emptiness

Joshu said "The Oaktree in the front garden"

it IS not an Oak Tree or a Cypress
but he is right in his wrongness

like all things words are put to
or OUT
Gratitude moves
to the Fore

we write and read

variations on this.
